<b>Ser. No.:</b>	09/629,746	<b>Group</b>	1732
<b>Filing Date:</b>	July 31, 2000	<b>Attorney Docket</b>	7158
<b>For:</b>	Co-Molded Flock Transfer And Method		

Commissioner of Patents  
Washington, DC 20231

St. Louis, Missouri

**PRELIMINARY AMENDMENT A**

Sir:

Prior to examination of the application, please enter the following amendments by replacement as follows:

**IN THE CLAIMS:**

*Sub 1*  
*A*

1. **(Amended)** A method of decorating a molded article comprising:  
providing a transfer having a flocking layer, a release sheet on one side of the flocking and a film on an opposite side of the flocking to adhere the transfer to the molded article;  
securing the release sheet to an interior wall of a mold in which the article is made;  
and  
molding the part such that resin contacts the layer of binder adhesive;  
cooling the mold;  
ejecting the part; and  
removing the release sheet from the transfer.

2. The method of claim 1 wherein the release sheet is affixed to the mold base with an adhesive.

I hereby certify that this correspondence is being deposited with the U.S. Postal Service as first class mail in an envelope addressed to: Commissioner for Patents, Washington, DC 20231, on 8-8-01.
